

AGREE OR DISAGREE

1. Some people believe that all teenagers should have to do unpaid work during their free time in order to help the local community. They think this would benefit the teenagers doing the unpaid work but also society as a whole.

Do you agree or disagree?

2. Some countries are struggling with an increase in the rate of crime. Many people think that having more police on the streets is the only way to reduce these increasing levels of crime.

To what extent do you agree or disagree?

3. More and more people are becoming seriously overweight. Some people say that increasing the price of fattening foods will solve this problem.

To what extent do you agree or disagree?

4. Some people say that parents should place restrictions on the hours their children spend watching TV and playing computer games, and encourage them to spend this time reading books instead.

Do you agree or disagree?

5. Some people believe that teenagers are facing more problems in their life than they did in the past and this is because parents are spending more time at work than at home.

Do you agree or disagree?

6. Some people think that one of the best ways to solve environmental problems is to increase the cost of fuel for cars and other vehicles.

To what extent do you agree or disagree?

7.Universities should develop methods to support students who come from rural and disadvantageous backgrounds.

To what extent do you agree or disagree?

8.Libraries should be shut down as better alternatives are available.

To what extent do you agree or disagree?

9.The qualities and skills that a person requires to become successful in today's world cannot be learned at a university or other academic institutions.

To what extent do you agree or disagree?

10.Some people think that prison sentences should not be used in dealing with criminals. Education and job training should be used instead.
